Recycling Lives Here!

**23rd Annual Conference,
Trade Show & Membership Meeting
August 17-20, 2014**

King & Prince Beach Resort—St Simon's Island, GA

GRC is turning 23 this year and the recycling industry in our state continues to grow and prosper. With new curbside collection programs, more educational resources, increased processing capacity, an industry mapping project in the final stages, one of the best end-use infrastructures in the nation, new resources for waste reduction of non-traditional materials, revamping of our web based data collection system, and a motivated board and membership, we have made great strides in increasing recovery in Georgia and raising the level of stewardship and knowledge. While the momentum is high, we still have much work to do to sustain this level of growth, so join us, support our efforts...become a conference **Sponsor** and plan to **Exhibit** as we explore **Recycling Lives Here!**

The Georgia Recycling Coalition (GRC) is the 501 c 3 state recycling organization in Georgia. Its mission is to promote & enhance waste reduction and recycling programs & activities in the state. It is comprised of members representing all sectors of the recycling industry. GRC was awarded the Recycling Coalition of the Year for 2008 by the National Recycling Coalition. Atlanta Magazine recognized the Georgia Recycling Coalition and its EcoVille website in the Best of Atlanta December 2009 issue for best Eco Service in its "Thrive" category. In 2011, GRC celebrated its 20th Anniversary and in March 2012 was honored with the Green Reach Award by the Atlanta Business Chronicle in its 2012 Environmental Awards. GRC was a finalist in the Metro Atlanta Chamber's 2013 E3 Awards in the Making the Connections category, and was featured in the August 2013 issue of Georgia Trend Magazine.
