Owned and operated by The King and Prince Beach & Golf Resort, the award-winning course is renowned for its challenging layout amongst ancient forests, vast salt marshes, dramatic island holes and comfortable clubhouse overlooking the vast lake that adds to the challenge of the course's 9th hole. Originally designed by renowned architect Joe Lee, the King and Prince Golf Course's signature is the group of four spectacular holes gently carved from small coastal marsh islands and accessed by 800-feet of elevated cart bridges. This bold and brilliant design marks the highlight of the back nine, but Lee's genius extends through the entire 18-hole, Par 72 course as it bends around towering oaks, along large areas of salt marshes, and across lakes and lagoons.
